

Litany for Water Communion

by Rev. Daniel O'Connell

From deep wells & hidden springs--
We carry our water.

*From faraway places & close to home--
We carry our water.*

Water forms the soup of all life.
It quenches our thirst. It cleans our bodies.

*All people are connected by one stream.
Water covers the planet. It runs through our veins.*

Water carries the memory of boiling steam & of
deep blue ice,
We carry a vision of the future and a story of our
past.

*Our vision pours forth hope. Our commitment
surges, too.
Many streams make one river. Many people, one
church.*

We bring our water, to mingle in communion.
We bring our selves, to mingle in communion.

*We are connected by the water of life.
We give thanks for this community of memory &
hope.*

Amen.
And Amen.

Settled Minister Search 2020: Focus Groups

The Settled Minister Search Team is eager to hear your thoughts!

The Search Team will be hosting focus groups throughout September and October to gain further insight on your vision for UUSG and our future settled minister. This is a great opportunity to have a group conversation about who we are and what we're looking for in a new minister. Your feedback will provide the Search Team additional, and richer, information to include in the Congregational Record.

Focus groups will meet both at the church on Sunday afternoons as well as selected weekday evenings at UUSG member homes. September dates are now open. Please see the sign-up sheets posted in the Common Room or sign up online at uusg.org/focus-groups.

Thank you for your time and insight as we seek our next settled minister. Your input is vital to our search!
