

**We are grateful for the gift of our lives and the gift of other people in our lives.**

*Each of us is created with dignity and worth.*

**We are called to love one another and to do nothing to others that we would find hateful to ourselves.**

*We honor the many ways that people live and love.*

**Our common life is enriched when queer, transgender, bisexual, lesbian, and gay people can come out—sharing the gifts of their sexual orientation and gender identity.**

*True justice flourishes when all people can live and flourish.*

**We suffer when LGBTQ people are oppressed, excluded, or shamed by religious people who overlook the fundamental call to love one another.**

*Love does not exclude. We are all worthy.*

**May we work to build a world where all people are celebrated and loved.**

*We celebrate sexual and gender diversity as a blessing that enriches us all.*
