

## **Let Us Sing a Song to the Eternal**

Eric Williams

**Call to sing joyfully to fulfill our role as part of creation**

*Let us sing a song to the Eternal.*

**Let the earth and her children break forth in song.**

*Let the sky and its creatures in chorus reply.*

**Let the sea and all that is within it sound out praise.**

*Let the storms raise their voices, the river clap their hands, and the mountains echo a verse from their rocky peaks.*

**May we who are gathered here this morning sing with great rejoicing so that we can fulfill our part in the great choir of all Creation.**

## **We Shall Be Known**

Karisha Longaker

We shall be known by the company we keep  
By the ones who circle round to tend these fires  
We shall be known by the ones who sow and  
reap  
The seeds of change, alive from deep within the  
earth  
It is time now, it is time now that we thrive  
It is time we lead ourselves into the well  
It is time now, and what a time to be alive  
In this Great Turning we shall learn to lead in  
love  
In this Great Turning we shall learn to lead in  
love

## **Where You Go I Will Go**

Shoshana Jedwab

And where you lie, I will lie, Beloved/My  
Children  
Where you lie, I will lie  
Where you lie, I will lie, Beloved/My Children  
Where you lie, I will lie  
  
And your people are my people  
Your people are mine  
Your people are my people  
Your Divine my Divine
