

## **“We Are All Immigrants” Rally**

**Saturday, April 27, 2024  
12:00 – 1:30 PM  
Rte. 38 Bridge in Geneva**

**Bring your signs and your American flags  
to show your support for migrants as  
human beings, not invaders!**

The Social Justice Team at UUSG is organizing a rally in support of immigrants and refugees.

The purpose of the rally is to show that there are those of us who look at migrants as human beings who are looking for a better, freer life, rather than as invaders. We recognize that human migration has always been a part of human history and that, unless of Native American descent, we are **all** immigrants to the U.S. This will be a positive rally, in favor of migrants, but not against any person(s) or ideology.

**Remember, NO HUMAN IS ILLEGAL!**
